1.1.2 The institution adheres to the academic calendar for the conduct of CIE

Response:

The institute prepares academic calendar in-line with SGBAU's academic calendar. It incorporates all curricular, co-curricular and extra-curricular activities in the calendar which ensure CIE. This calendar is displayed on notice board and institutional website at the beginning of semester and also circulated among all the faculties as well as students.

Regular meetings and reviews are conducted by teachers, coordinators and Principal. The reviews and corrective actions if any are discussed in the Principal meeting. This way the institute adheres to the academic calendar for conduct of CIE.

Provision of CIE in academic calendar:

- Academic calendar includes schedule of monthly attendance display, schedule of ISEs and preliminary examination. This helps students to prepare for the same well in time. It also includes schedule of display of results of these examinations.
- At the middle of semester, when students are done with their half of practical and assignment work; academic calendar ensures CIE by introducing Mid-semester Submission. This helps students to understand their status at the mid of semester and they plan corrective actions if required and improve their performance.
- Final year students carry out their project presentations as per academic calendar.
- Before the practical/oral examinations of SUS, mock practical/oral examinations are arranged for the students. Schedule of this mock examination is also prescribed in the academic calendar.
- The academic calendar also gives the schedule of various experiential/participative activities designed by the institute as per the Project Based Learning (PBL) Model .
- Sites Visits, Value Addition Programs and Technical Events.
- Apart from these technical activities, academic calendar describes tentative schedule of extracurricular activities such as sports and cultural. The participation and performance of students in all such technical and extra-curricular activities is also a part of Continuous Internal Evaluation process.
- The schedule of ICA (Internal Continuous Assessment) is strictly followed as per academic calendar.
- In order to ensure the satisfactory performance of the students in the evaluation process, parents are also involved in discussions through parent meet organized as per academic calendar. The institute takes efforts to communicate the requirements and progress of students in the evaluation process through the Teacher Guardian scheme. This helps in ensuring effective conduct of CIE and achieving desired outcomes.

Study Tour	At Lonar, Sindhkhed Raja
Date	28.02.2019
Students	1 st , 2 nd , 3 rd years
Brief	<p>A study tour to Lonar & Sindhkhed Raja was conducted on 28 Feb for students of 1st, 2nd, 3rd year. Lonar being Archiological site, it was different exposure to students. 1st yr. students have documented the ancient temple of Lonar.</p> <p>All the students visited the Lonar Lake & later on the temple in the vicinity of the lake. The students studied the Temple's architectural styles and also got to know about the history of Temples(Wagh Mahadev Temple, Gomukh Temple, Step Well, Kumareshwar Temple, Daitya Sudan Temple, Kamalja Temple, Yadneshwar Temple). The Design topic site fr 3rdyr students islocated in Lonar so, the students did site visit & studied all the components of site.</p> <p>Later on 2ndyr students went to Sindhkhed Raja . there, they explored the famous Jijau Mata Temple& its history& Architecture. Apart from the temple they visited their design site and studied about site & is surrounding . it was a great learning experience for students & it helped them to proceed for their design.</p>

पी.डी.एम.सी., श्री संत गाडगेबाबा
दिनांक : २० / १० / २०१८

प्रमाणीत करण्यात येते की, पी. आर. पाटील कॉलेज ऑफ आर्किटेक्चर, अमरावती च्या विद्यार्थ्यांनी माझ्या वार्डांमध्ये अस्तित्वात असलेल्या राजेंद्र गार्डनला वळसा घालणारा ओसाड रस्ता याचे सीदंयीकरण व स्वच्छता केलेली आहे. सीदंयीकरणाच्या विविध कामांमध्ये वृक्षारोपण, व्यक्ती चित्रे, झाडांवर व मंदिराच्या पायऱ्यांवर रंगकाम, टाकाऊ वस्तुपासुन बसण्याचे बेंचेस ची बांधणी तसेच मंदिरामध्ये वायरपासुन बनवलेले झुले व इतर सीदंयीकरणाचा सहभाग होता. सदर विद्यार्थ्यांसोबत मि व्यक्तीशा जावुन त्यांच्याशी संवाद साधला व त्यांना योग्य ते मार्गदर्शन केले. मला त्यांचे हे कार्य नाविष्यपूर्ण व उत्साहवर्धक वाटले. त्यांच्या व महाविद्यालयाच्या अशाच प्रकारच्या प्रकल्पाकरीता मी त्यांना शुभेच्छा देते व भविष्यात सुध्दा सहकार्याची हमी देते.

धन्यवाद ।

Lungare
