**About BLI:**

Our firm is an organization working in patent promotion, drafting and filing of patent application along with providing support to inventors in various domains of patenting which includes conducting patentability searches, drafting, patent landscaping and technology mapping, FTO analysis, patent valuation and IP litigation. We offer a full range of patent services to help our clients protect the results of their vision and their creativity. Our firm has successfully handled various domestic and international filing and provides a complete legal and technical solution in this regard. Our Firm is also assisting and advising several domestic and

International clients including more than 100 Corporations, research institutes and individuals which includes Maharashtra State Board of Technical Education, MSME,

**Process of patenting your invention:**

For the purpose of filing of patent application standard procedure which we follow is as under:

**Prior art search:**

Before starting the process of drafting of patent application we have to conduct prior art search of the invention for assessment of patentability of the invention which takes 8 working days.

**Basic prior art search:**

This is the standard form of prior art search which is conducted before starting the process of drafting of patent application. In this search we use free to use search engines and if any similar art is observed it is forwarded to you and inventor has to assess whether he wishes to proceed for drafting of patent application.

**Patent application Drafting:**

After completion of search we start the process of drafting of patent application. For this purpose we need information in a standard format which will be provided to inventors. In this part we draft the patent application according to the standard legal format and forward it to you for your approval. This process takes 9 working days. Once invention is approved by you or after making relevant modifications suggested by you we proceed for filing of patent application.

**Patent application filing:**

After final draft is ready we proceed for filing of patent application which is normally filed online after taking your signature on the application. This ordinarily takes 3 working days.

**Publication of patent application:**

After filing of patent application at Indian patent office it is published in patent journal after 18 months of filing. If you wish to publish your application early we have to file request to early publication (Optional) after filing of which your application gets published in patent journal ordinarily within 2 months of filing of application.

**Examination of patent application:**

After publication of patent application we have to file request to examination at patent office after which patent application is examined at patent office and we receive first examination report from patent office reply to which is to be filed within 1 year of receipt of the report.

**Grant of patent:**

Once examiner is satisfied on our reply patent is granted to you.

**International patent filing:**

If you wish to file patent application outside India it can be done in 2 ways:

- Conventional application
- Application under patent cooperation treaty

These applications can be filed after 6 weeks of filing of Indian patent application and within one year of the said filing. After 1 year of Indian application filing we cannot file patent application outside India.

Neither Party will be liable to the other for any costs, expenses, risks or liabilities arising out of the other Parties efforts in connection with this Memorandum.

Upon approval by each institution, this Memorandum will remain in effect for a period of Ten (10) years unless terminated earlier by either institution. Such termination by one institution shall be effected by giving the other institution at least six (6) months advance written notice of its intention to terminate. Termination will be without penalty.

Notwithstanding the above, the period of this cooperation will, if necessary, be extended with consent in writing from the Parties.

**BETWEEN PARTIES HEREIN UNDER**

**Jhulelal Institute of Architecture, Of Koradi Road, Lonara Nagpur  
Affiliated to Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur**

**And**

**P.R. Patil College of Architecture  
Affiliated to Sant Gadge Baba Amravati University, Amravati**

**Has entered into the Memorandum of Understanding to establish a program of exchange and collaboration in areas of benefit to both institutions.**

**This MOU will provide following:**

**Promote institutional exchanges by inviting faculty and staff of the partner institutions to participate in a variety of research activities and professional development;**

**Organize symposium, workshops, conferences and joint studios**

**This Memorandum of Understanding will be identified as the parent document of any program executed between the parties. No modification, alteration or amendment of this Agreement will be effective unless in writing and signed by the Parties.**

**Further agreements concerning any program will provide details concerning the specific commitments made by each party and will not become effective until they have been put down in writing and executed by the duly authorized representatives of the parties. The scope of the activities under this agreement will be determined by**

the funds regularly available at both institutions for the types of collaboration undertaken and by financial assistance as may be obtained by either institution from external sources.

This Memorandum is not a contract. This Memorandum serves only as a statement of the general intention of the Parties and is not intended to be legally binding nor to be construed as an agreement on any matters mentioned. No oral agreement or conduct of the Parties in respect of matters stated in this Memorandum shall be deemed to impose any obligation or liability on either Party

This Memorandum is not intended to constitute, create, give effect to, or otherwise form a joint venture, or other business entity of any kind. Neither Party shall act as an agent for, or partner of, the other Party. There are neither any rights nor obligations of the Parties established under this Memorandum..

Although the intention of this Memorandum is to discuss and negotiate issues with respect to a possible definitive agreement between the Parties, the relationship is non-exclusive, and the Parties shall have the ability to form similar or different business relationships with other companies or entities of their choice

All publications resulting from the collaboration between the two institutions must give recognition to the Memorandum. Likewise, the Memorandum must also be mentioned in all courses and formal presentations that result from collaboration under the terms hereof.

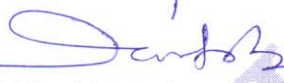

Should any faculty collaboration result in any potential for intellectual property, the parties will immediately meet through designated representatives and seek an equitable and fair understanding as to ownership and other property interests that may arise. Any such discussions will at all times strive to preserve a harmonious and continuing relationship between the parties.

The Parties agree to comply with all national, state, and local rules, regulations, executive orders, laws, and policies forbidding unlawful discrimination to which Institution is subject.

The Parties understand that they are proceeding at their own risk and they understand that costs regarding the subject matter under this Memorandum are to be paid for by the Party who incurs the cost. Nothing contained in this Memorandum is to be construed as providing for the sharing of profits or losses arising out of the efforts of either or both Parties. Neither Party will be liable to the other for any costs, expenses, risks or liabilities arising out of the other Parties efforts in connection with this Memorandum.

Upon approval by each institution, this Memorandum will remain in effect for a period of Ten (10) years unless terminated earlier by either institution. Such termination by one institution shall be effected by giving the other institution at least six (6) months advance written notice of its intention to terminate. Termination will be without penalty.

Notwithstanding the above, the period of this cooperation will, if necessary, be extended with consent in writing from the Parties.
